President & Constitution & Laws - Laurie Ryan

As the year swiftly draws to a close, it is almost hard to fathom how much time has passed. It has undoubtedly been a year brimming with both learning and implementation. Reflecting on the past year, I am filled with gratitude for the trust and confidence you all have placed in me.

The journey we have embarked on together has been immensely rewarding, and it is clear that there remains a great deal still to be accomplished. With the steadfast support and dedication of our remarkable executives and volunteers, I am confident that the coming year holds even greater promise and productivity. An increase in volunteer participation would significantly bolster our efforts and drive our initiatives forward. I find it difficult to single out individuals for thanks, as the contributions of each person have been invaluable, and I wish to avoid inadvertently omitting anyone.

Should I receive the honor of being elected once more, I assure you of my unwavering commitment and diligence in driving our collective success. Conversely, if the outcome does not favor my re-election, I extend my heartfelt best wishes to the incoming executive team.

In any scenario, I wish every member a summer filled with joy and good health.

1st Vice-President/Security/Youth Education – Carol Gabriel

I have enjoyed my position as First Vice. I would like to thank everyone for their help. With Security everything has gone ok, as of now all is good, the position went well, I enjoyed it, and my term will be up in May. Thank you all for the help that I received. Youth Ed is all done for this year. All went well. I was very pleased with all our winners. Looking forward to next year.

I would like to thank everyone for their support all year.

Carol Gabriel

2nd Vice-President/Bar Chair - Chris Mayhew

Hello Comrades, hope everything is well. Bar is doing good thanks to Cards, Pool, Karaoke, Darts and Cigar Club. Cooler is working well.

Hope you have a good summer.

Thank You,

Chris Mayhew

Treasurer – Rennie Brudnjak

The Legion has benefitted from GIC's at higher rates that matured this year resulting in higher interest income than last year. We also had a one-time pickup from the sale of the stage.

Insurance expense is lower than last year and we also had excellent expense management on buildings and grounds maintenance that almost totally offset the higher cost of snow removal.

It will still most likely be a challenge to end the year in a net gain position but without the efforts put into managing operating expenses we would not have shown such a significant improvement over last year.

Past President/Cadet Liaison – Ernie Bremner

Secretary – Gail Bourhill

Happy Spring and Summer everyone. This year has gone by so fast. I guess the saying that as you get older, time flies, is true.

I want to thank everyone for a wonderful 2024/2025 term. I have met many great people and have the privilege of calling a lot of you friends.

Thank you again and please continue to come to our branch. See you there.

Gail Bourhill, Secretary

Membership – Cecile Knipfel

Cleanup Day Monday May 19th starting @ 7:00a.m. -??? Sign-up sheet will be posted at the bar. Maintenance Logbook Working Well.

There are odd jobs to do here. Peter and I are working on them.

The second Urinal needs attention, not draining right. Peter tried some Chemicals, did not work, than Peter got a snake and got it unplugged.

Wendy was looking into getting upper cabinets to go under dart boards about 12 inches out from the wall. Cabinets were free and Wendy went to Hamilton to uninstall them and installed them under the dart boards. Wendy also installed two cabinets where Nevada Machine was, all of this is being done to store stuff that doesn't belong in Electrical room. Cards, games and materials for their card games, etc. Utility bill (Water and Sew) has come down a lot, we are now going to replace 2 faucets in men's washroom and then woman's washroom to handsfree taps.

We are so glad to be done with SNOWMAN the snow removal contractor. Winter Season will be a new contractor.

Entertainment – Michelle Tardif

Karaoke continues on Tuesday nights with a variety of DJ's. Look for who is hosting on our website or calendar and come out and support them. Our Good Friday fish fry was a great success. Thank you to everyone who participated and a special thanks to all who Volunteered.

Upcoming Election of Officers

May 2025

An Overview of the Process

The upcoming election of officers is a pivotal event in our organization's calendar, marking a time of reflection, change, and anticipation. As we prepare to elect new leaders who will guide us through the next term, it is essential to understand the process, the candidates, and the significance of this election.

The Election Process GBLO

QUALIFICATION TO HOLD OFFICE 909. (1) Only Ordinary, Life, Associate, and Affiliate Voting Members in good standing shall have the right to vote or hold Office at any level of the Legion. (2) No Member who is a full-time, regular part-time or elect-to-work employee of any Branch, or Command, or any organization thereof, who receives directly or indirectly any salary or wages for or on account of any service rendered to the Branch or Command or organization thereof, shall hold any Executive position in the Legion. (3) If an employee is successful in their bid for Office, they must resign their paid position before their Term of Office can commence. (4) No Member shall hold more than one (1) elected Office at the same level. Further, if a Secretary, Treasurer or Secretary-Treasurer is appointed, a senior elected Officer (President or Vice-President) shall not hold that Office. (5) The Executive position of Ladies' Auxiliary Liaison Officer shall not be held by the Branch President, and where possible, should not be held by a Member of the Ladies' Auxiliary. (6) No Member shall simultaneously hold the positions of Branch President and President of the Ladies' Auxiliary to the Branch

Nomination Period

The election process begins with the nomination period, during which members are invited to submit names of potential candidates for each officer position. All nominations will be accepted during the April 2025 General Meeting and before the actual voting process begins at our May 2025 General Meeting.

Candidate Vetting

This committee ensures that all candidates meet the necessary criteria, including relevant experience, commitment to the organization, and adherence to our values and mission. They will be asked if they will accept the nomination.

Voting

The election culminates in a voting period, during which members cast their ballots for their preferred candidates. Voting is conducted securely and confidentially, through traditional paper ballots at our May 2025 General Meeting.

Announcement of Results

After the voting period concludes, the results are tabulated and verified. The newly elected officers are then announced to the membership, and a formal transition process begins.

Significance of the Election

The election of officers is a critical moment for our organization, as it determines the leadership team that will guide us through the next phase of our journey. The chosen officers will be responsible for making strategic decisions, setting priorities, and representing the interests of our members. Their leadership will shape our future, influence our impact, and drive our mission forward.

Member Participation

Active participation in the election process is vital for ensuring that the leadership team reflects the diverse perspectives and aspirations of our membership.

Participating in nominations and voting allows members to shape the organization's direction and contribute to its success.

Future Vision

The incoming officers will have the task of building upon our past achievements while addressing new challenges and opportunities. Their vision for the future will encompass strategic planning, program development, and community engagement. As we look ahead, we anticipate a period of growth, innovation, and increased impact under their leadership.

Conclusion

The upcoming election of officers is a momentous event that holds great significance for our organization. It is an opportunity to elect leaders who are committed to our mission, capable of driving positive change, and dedicated to serving our members. As we approach the election, let us embrace this process with enthusiasm, engage thoughtfully, and look forward to a future of shared success and accomplishment.
